Concert dress for all students (dress shoes!) We will be filming!

Performers do not need tickets. Respect all times.

Parking is available on the street and in the PAC and student parking lots

There will be over 450 performers in this program. All students need to be responsible for their schedule, their instrument, music and set up.

Parents: your child will be more relaxed and will perform better if they are on time.

Please help them by anticipating dressing, transportation, traffic, and parking issues.

Thanks for your hard work and let’s have a great night.
